

IEEE Global Communications Conference

9-13 December 2019 // Big Island, Hawaii, USA

Revolutionizing Communications

CALL FOR PROPOSALS FOR INDUSTRY FORUM & EXHIBIT PROGRAMS

The 2019 IEEE Global Communications Conference (GLOBECOM 2019) will be held in Waikoloa on the beautiful Big Island, Hawaii, USA, from **9-13 December 2019**. Themed, "Revolutionizing Communications," this flagship conference of the IEEE Communications society will feature a comprehensive high-quality technical program including technical tutorials and technical workshops. **GLOBECOM 2019 will also include an attractive IF&E program aimed at practitioners, with keynotes and panels from prominent research, industry and government leaders, business and industry panels, and vendor exhibits.**

IF&E PROPOSALS

DUE DATE:

01 JUNE 2019

TOPICS OF INTEREST

- 5G, New Radio (NR), Use Cases, Services, implementations
- Global Standardization of 5G and Regional deployments
- Industry Standards
- Beyond 5G
- Vehicle to X (V2X) Communications
- 5G to V2X for the MNO
- Massive MIMO - Implementation
- Industry/Network/Cyber security - Policies, challenges, trends
- Experience with Green Communications Systems and Networks
- Optical Networks and Systems around the Globe
- Li-Fi Challenges
- Blockchain in communications and networking
- API Development
- Emerging technologies for public safety
- Data Center Networking and architecture
- Power Line Communications
- Machine Learning, AI and Cognitive Learning
- Cloud & Fog/Edge Computing Networking and Storage
- Tactile Internet
- Smart Grid Communications
- Medical Device Connectivity to the Internet
- Internet of Things and Big Data
- SDN and Virtualization
- Broadband cables and optical access
- Smart Cities
- Satellite and Space Communications
- Social Networks
- Communications aspects of Industry Automation
- E-Commerce technology trends in communications & networking
- C5 (command, control, communication, cyber, computers) technical platforms
- Social Implications of Technology
- Test automation

IF&E PROGRAMS

- Industry Expo
 - Exhibits
 - Industry Demos
 - Industry Posters
 - Podium Talks
- Executive Programs
 - Keynotes
 - Executive Forums
 - Distinguished Industry Speakers
- Industry Programs
 - Industry Seminars
 - Industry Panels
 - Industry Forum
 - Industry Presentations
 - Lightning Talks
 - Industry Training
 - Career Development

Proposals for the IF&E Programs are invited on all communications and networking topics, some of which are listed above. Industry seminars can be half- or full-day; Panels, forums, presentations, etc. should fit into 90-minute sessions.

Full details of submission procedures are available at:
